Hereby I return goods (exact name and size):

.....

According to § 10 section 4 of the Law no. 102/2014 Coll. of Laws as amended the seller is entitled to require the consumer to repay the diminished value of goods that was caused due to such manipulation with goods that is beyond the manipulation necessary to identify properties and functionality of the goods.

According to § 9 section 2 of the Law no. 102/2014 Coll. of Laws as amended the seller is obliged to return the payments to the consumer in the same manner the consumer paid for the goods.

With its signature the consumer confirms the accuracy of the listed data.

In ....., on (date) ..... consumer signature

## **Consequences of Contract Withdrawal**

After withdrawal from the contract you will be refunded all payments done in connection with concluding the contract, especially purchase price including shipping costs. Payments will be refunded without delay, no later than 14 days since the day we receive your contract withdrawal. Your payments will be refunded in the same manner you paid for the goods unless you have explicitly agreed to other way of refund, everything without incurring any additional charges.
